Serving Children • Families • Foster Parents • Veterans • Schools • Animals

## Who We Are

Founded in 2014 by Golden & Elise Tate, Golden Future Foundation began by supporting America's military heroes. As their family grew, so did their mission. Today, the foundation meets needs across their community, one act of love at a time.

## What We Do

Golden Future Foundation provides practical, immediate support to children and families facing hardship. Our work includes:

- Coats & Essentials for Kids: Thousands of new coats, hats, gloves, and clothing for underserved children
- Foster Family Support: Clothing, beds, baby items, bedroom furnishings, and ongoing essentials. On average GGF supports 1 foster family per week. Our goal is 52 families a year.
- School & Teacher Support: Classroom supplies, teacher-lounge equipment, snacks, and emergency needs
- Scholarships for Students: Funds raised through the Annual JPIL Football Camp now support multiple scholarships each year
- Community Care: Helping families facing crisis or hardship with dignity and compassion
- Animal Rescue Support: Supplies, connections, and emergency assistance
- Military Outreach: Continued support for military families and veterans through acts of gratitude

## Why Your Support Matters

Your generosity allows us to step in the moment a need arises, whether a child needs a warm coat, a foster parent needs essentials tonight, or a student needs a scholarship to pursue their future.

**You help create a Golden Future for those who need it most.**
